## Ergonomic Sit-Stand Desktop Workstation Part# 012.002.3000

This Ergonomic Workstation is an ultra easy sit-stand solution designed with a spacious upper display surface and lower keyboard and mouse desk. It features spring-assisted lift mechanism that allows you to switch easily between sitting and standing in just a matter of seconds. The sit/stand desk holds up to 15kg while staying steady and solid at any height. Pre-assembled for easy installation, all you need to do is take it out of the box.

The choice to switch to an ergonomic workstation is a no-brainer, with the health benefits alone saving time and money. The facts are in: sitting too much is bad for your health. Living a sedentary lifestyle leads to obesity and heart disease. By changing from the old sit down desk workstation model you can burn more calories and improve posture. It has also been proven that standing improves mood and energy, therefore using a standing desk boosts productivity - and the bottom line.

### FEATURES

- Large work surface accommodates two monitors or a monitor and a laptop
- Maximum load capacity of 15kg
