Description

Ubiquiti UniFi USW-PRO-POE-48-POE Gen 2 | UniFi 24 Port Gigabit Switch PoE and SFP+

Build and expand your network with the UniFi® Switch, part of the Ubiquiti Networks® UniFi Enterprise System. The UniFi Switch PRO 48 PoE, is a configurable Gigabit Layer-3 switch (Layer3 will be included in later software release) with auto-sensing 40 802.3af PoE+ and 8 802.3bt PoE++. It offers 48 RJ45 Ethernet ports and 4 SFP+ ports, providing 10 Gigabit PoE links to your devices and fiber uplink options to your enterprise network.

The UniFi Switch PRO 48 PoE features a 1.3" touch LCM and integrated fans for quiet cooling. The LCM provides current switch states and the necessary information you need for quick diagnosis.

Managed and configured by the UniFi Controller with UniFi Mobile app support, the UniFi Switch offers an extensive suite of advanced Layer-3 switching protocols and features (Layer3 will be included in later software release), including operation mode (switching, mirroring, or aggregate) per port, Inter-VLAN routing, static routing and DHCP server. The UniFi Controller and mobile app allow admins to configure and monitor virtually all of the switch features in a graphical user interface from anywhere.

Specifications

- (40) Gigabit RJ45 ports with PoE 802.3af/at
- (8) Gigabit RJ45 ports with 802.3bt
- (4) 1/10G SFP+ ports
- 1RU Rackmountable (hardware included)

- 400W Total available PoE
- Up to a maximum of 64W per port

Features

- Auto-sensing IEEE 802.3af/at/bt PoE to power your PoE devices, such as UniFi APs and cameras
- SFP+ Ports enable network uplinks of up to 10 Gbps
- Near silent cooling with integrated fans featuring PWM (Power Management) control, air ducts and covers, and temperature sensors for the best user experience.
- 1.3" touchscreen displays status information for easy monitoring and quick troubleshooting.
- Scalable UniFi Network Controller
- Forwarding capacity to simultaneously process traffic on all ports at line rate without any packet loss.
- Point

Works with UniFi Network Controller

- Manage Your Networks from a Single Control Plane
- Intuitive and Robust Configuration, Control and Monitoring
- Remote Firmware Upgrade
- Users and Guests
- Guest Portal/Hotspot Support

Warranty

1-year limited warranty.

Why 4Cabling?

- Australia's leading importer & wholesaler of 19" server racks, copper, ethernet cable, fibre optic leads & structured networking products
- ISO 9001, NSW Govt. & GITC (QLD Govt.) approved supplier
- Secure online shopping 24/7
- A loyal customer base of 100k+ who trust us for their data & electrical needs
- Over 3000 quality products in stock ready to go
- All products are approved as per local Australian standards
- Warranty & peace of mind return policy
- Lightning-fast delivery nationwide
- Expert advice
- Proudly 100% Australian owned & operated

Additional Information

Product Name	Ubiquiti UniFi USW-PRO-POE-48-POE Gen 2 UniFi 48 Port Gigabit Switch PoE and SFP+
Part#:	UB.USW.PRO.48POE
Weight (kg)	7.400000
Manufacturer	Ubiquiti
GTIN	817882028356
Form Factor	Rack mount
PoE	Yes PoE
SFP	Yes SFP
Number of Ports	48-52
Predominant Port Type	Gigabit Copper
Colour	White
Warranty	1 Year
