Description

Rubber Floor Cable Protector 80mm Channel

Rubber Floor Cable Protector 80mm. The perfect, easy cable management system that not only protects your cables from damage as well as providing floor protection, it also protects you from those awkward office trip-ups. The drop over features ends with an interlocking design for unlimited length. The tooled out bottom and raised threading makes it highly slip resistant while still providing great cable protection.

Features

- For indoor or outdoor applications such as offices, warehouses, garages etc.
- Interlocking ends for unlimited length.
- Drop over design for easy setup.
- Raised thread for slip resistance.
- Made from rubber therefore does not slip on carpet and will not damage flooring.
